www.NVisionSolutions.com

NVision Solutions Inc. is an SDB, WOSB, EDWOSB, Pacific-Asian, woman-owned technology integrator founded in 2002.

NVision combines geospatial technology, software development, and harsh-environment engineering to create end-to-end solutions for customers

NVision is a graduate and Nunn-Perry award winner in the **DoD Mentor-Protégé Program (NGA)** with **Computer Sciences Corporation.**

NVision Details

- **Founded:** March 14, 2002
- **Employees:** 55
- **CAGE:** 1X1H0
- **DUNS #:** 051704463
- **NAICS:** 541370,325211,332710,334111,334220,334418,334419,334511,334519,335911,336611,511210,517919,518210,519130,541330,541360,541380,541511,541512,541513,541519,541611,541614,541690,541720,541990,561110,561210,562991,624230,811212,927110,928110

Focus Area		Customers	
Engineering			
<u>Engineering Expertise</u> • Design, test, lifecycle support • Electronics design & fabrication (MIL-STD-461) • Mechanical design & fabrication (MIL-STD-810) • Test planning, execution, analysis	<u>Production Experience & Capability</u> • Prototype Maturation • Build-to-Print engineering • Low-Rate-Initial-Production • Production Management	• Navy • Army • Air Force • NOAA • NWS • NAVOCEANO	• NOAA • NASA • USDA • Woolpert • Leidos
Geospatial			
Expert working level understanding of all major GIS software packages including open-source systems. NVision also has the ability to provide process automation including: • Data acquisition • Geodatabase		• NASA • FEMA • USACE • NGA • DHS	• EPA • USDA • Navy • USDOJ • NOAA
• Extraction • Enterprise migration			
Services			
Demonstrated ability to quickly staff service contracts with qualified personnel. Well-versed in government and Federal prime contracting environments. Agile and adaptable. We have performed in arenas such as: • Human Resources • Call center • Administrative • Data entry • Quality management • Graphic design • Event planning & management • Engineering		• NASA • NRL • FEMA • Navy • Dept of Commerce • DHS • Dept of the Interior • Library of Congress • National Guard • State & local	• Radiance • BAE • CSC • Northrop • Grumman • L3 Harris • NOVA
• Emergency Operations • Technical Support • Research • Community outreach • Technical Support • 24/7 operational support • Logistics • Safety engineer			

Hydrography

Specialize in shallow-water hydrography and hard-to-reach places. Marine exploration and surveying, including hydrographic surveys, benthic habitat mapping, wreck location, and pipeline route surveys.

- Edgetech 2205 SeaRobotics Surveyor
 - 540kHz/1600kHz SSS
 - 540kHz Multiphase Bathy
 - Internal SBG GNSS
- Edgetech 6205s2
- Marine Magnetism Explorer Magnetometer
- AML Sound Velocity Profiler

- MS Dept of Marine Resources
- National Oceans and Applications Research Center
- Bearcat Maritime Heritage
- Fairway Consulting and Engineering
- RECON Offshore
- SinkCo Labs
- Hancock Port & Harbor Commission

Software/Database Design and Development

Experience in all major programming languages, operating systems, technologies, and environments including:

- Esri, Microsoft, Web 2.0, Java, Python, PHP
- Oracle, PostgreSQL, MySQL

- NASA
- NOAA
- US DOI BOEMRE
- FEMA
- USDOT
- National Guard
- State & local agencies
- Boeing

Certifications

Federal

- Small Business in all NAICS
- Woman-owned Small Business
- Economically Disadvantaged Woman-Owned Small Business (EDWOSB)
- DCAA-audited

Quality

- ISO9001
- AS9100
- IPC-610-D

Personal

- Project Management Professional (PMP)
- Geographic Information System Professional (GISP)
